### **VII. Committee Reports:**

***Park Committee:*** Jeanette thanked those who did projects in Bartholomew Park and encouraged WP residents to think about working at your local park in the future. Jeanette would like to revive the Park Stewards program. In the past, eight people would show up to clean up parks and do whatever needs to be done. She is looking for new

and/or returning volunteers. Jeanette would like to revive the playscape shade drive. Individual donors in our neighborhood funded ½ of the \$30,000 needed to do the last shade. Austin Parks Foundation, Miller Community Foundation, the WPA, Frost Bank and IBC Bank funded the rest of the shade. If you have ideas about people who might be approached to help fund this next shade, please let Jeannette know. Jeanette proposed a park in the Patton Lane area. She encouraged us to consider asking APF for a grant to help develop this area. How can we focus attention on this area? What do we want there? Please let Jeanette know if you have any ideas.
