October 9, 2019

Dear Friends,

Trinity Child Development Center (Trinity CDC) will host the **34rd annual Sharing with Santa** fundraising event on Saturday, December 7th, 2019. Sharing with Santa, a tradition at Trinity CDC, offers a holiday alternative for our children and their families, emphasizing giving and a sense of family and community. It also provides an opportunity for Trinity CDC to raise funds through a silent auction to continue to provide high-quality and affordable education to our children.

Trinity CDC respectfully requests your donation of gift certificate(s) or item(s) for the silent auction. All proceeds from the auction will directly support providing curriculum and programs to over 40 children ages one through five for their school readiness. The event is expected to attract over 200 families, and the silent auction has been one of the most highly anticipated activities during the event as a way for our supporters to start their holiday shopping early. All the auction donors will be recognized on signage, a newsletter, and our website, and your donated items will be attractively displayed at the silent auction.

Trinity CDC strives to continue providing a strong start to children so they can fulfill their fullest potential in school and life. This has only been possible through the generosity of individuals, local businesses, and community leaders. Your support will be integral to Trinity CDC's continued work to make an impact on our children's lives and future so they can succeed regardless of their families' financial situation.

All donations are greatly appreciated and are tax deductible (Tax ID: 74-1494756). Thank you so much for your consideration of supporting the children and families at Trinity CDC. If you have any questions, please feel free to contact me.

Sincerely,

Sharon Knight
Executive Director
