Windsor Park
NEIGHBORHOOD ASSOCIATION

May 18, 2026

To the City of Austin Event Permitting Department,

On behalf of the Windsor Park Neighborhood Association, I am writing to express our enthusiastic support for the proposed Cyclovia ATX 2026 event planned for November 7, 2026.

The Windsor Park Neighborhood Association supports hosting the event along Westminster Drive between Briarcliff Boulevard and Rogge Lane, or alternatively between Briarcliff Boulevard and Northridge Drive should a shorter route better accommodate neighborhood feedback and resident support along Westminster Drive.

We are excited about the opportunity to work alongside the Ghisallo Cycling Initiative in planning and executing this event. Cyclovia ATX represents a wonderful opportunity to celebrate alternative forms of mobility, encourage community engagement, and promote safer, more connected streets for people walking, biking, rolling, and gathering together.

We believe this event will be a positive addition to both the Windsor Park neighborhood and the broader Austin community by highlighting the importance of accessible and sustainable transportation options while creating a fun and welcoming community experience.

Thank you for your consideration and for your continued support of community events that promote active transportation and neighborhood connectivity. We look forward to collaborating with the City of Austin and the Ghisallo Cycling Initiative to help make Cyclovia ATX 2026 a success.

Sincerely,

Chad Cotton (He)

President, Windsor Park Neighborhood Association
